Grounds for Your Challenge in This Petition

13. State every ground (reason) that supports your claim that you are being held in violation of the Constitution, laws, or treaties of the United States. Attach additional pages if you have more than four grounds. State the facts supporting each ground. Any legal arguments must be submitted in a separate memorandum.

GROUND ONE: I was once eligible for FSA and then my 365 earned days in FTCs were removed.

(a) Supporting facts (Be brief. Do not cite cases or law.):

On Various documents given to me by MDC staff after revision Clearly state my eligibility for FSA, my projected release method of FSA, and my projected release date with my FTCs applied. These documents are attached and highlighted where these facts are stated (Computation Data Sheet, Individualized Needs Plan Program Review, FSA Time Credit Assessment)

(b) Did you present Ground One in all appeals that were available to you?

☒ Yes

☐ No

GROUND TWO: The document MDC used to remove my eligibility for FSA is an Immigration Detainer and not a final Order of removal.

(a) Supporting facts (Be brief. Do not cite cases or law.):

This document wrongly used to remove my eligibility is a DHS 1-247 A form, called "Immigration Detainer Notice of Action" This form is not identified as being a final Order of removal and on pag 2. (which MDC decided not to provide) it also states that it is only a detainer and its purpose.

(b) Did you present Ground Two in all appeals that were available to you?

☒ Yes

☐ No

GROUND THREE: the actual final Order of removal does not exist

(a) Supporting facts (Be brief. Do not cite cases or law.):

There is no final Order of removal filed. I have not been interviewed or seen by an immigration officer or judge. I have requested my Case manager to see the order of removal and all they provided was DHS form 1-247 A. when Challenging that it's only a detainer and that if there is a order of removal there must be another document filed, MDC Staff's responses are evasive and defensive.

(b) Did you present Ground Three in all appeals that were available to you?

☐ Yes

☒ No

AO 242 (Rev. 09/17) Petition for a Writ of Habeas Corpus Under 28 U.S.C. § 2241

GROUND FOUR: This detainer was sent to MDC staff after they submitted my RRC placement paperwork even when I was not eligible for RRC. This detainer is filed ever since the arrest and updated on every transfer of institution for the agency in custody.

(a) Supporting facts (Be brief. Do not cite cases or law.):

Because of my immigration status I have always been ineligible for RRC and still my case manager deceived me into signing the request stating it had no negative consequences and that it had nothing to do with FSA. My program review states "no" for RRC placement, either it was done with evil intentions or my case manager is simply not qualified for this position. Detainer also are made from the beginning of the arrest by DHS in order for the agency in custody to know they must contact DHS for transfer or even case of death.

(b) Did you present Ground Four in all appeals that were available to you?

☐ Yes

☒ No

14. If there are any grounds that you did not present in all appeals that were available to you, explain why you did not: I found out that I was not eligible for RRC after submitting my third appeal. Even though the actual words stating that the final order does not exist are not on the appeals it is implied by stating that the issue is the detainer being filed and that it is not a final order of removal, also I requested a copy of the final order of removal but was never responded.

Request for Relief

15. State exactly what you want the court to do: I want the court to see that BOP has wrongly removed my earned FTCs and to rule in favor of this request ordering BOP to restore my eligibility status as it once was in order to have my 365 days in FTCs reappplied to my early release.
